CASE MANAGEMENT: A RAINBOW OF OPPORTUNITY

Speakers

Gary Oppendahl: President and CEO of FootPrints Home Care, holds a bachelors degree in electrical engineering from Chapman College. He has twenty five years of management experience in various disciplines of startups. He led a total of five semiconductor startups within Intel, one VC-backed enterprise through acquisition and one VC-backed enterprise through excellent funding. Most recently, he started a home healthcare company from scratch which produced \$800,000 revenue in its first year.

Pamela S. Davis: Certified Wealth-Transfer Planner, Life and Health Insurance Agent in the State of New Mexico and is enrolled in the Certified Financial Planners program. Her area of expertise is in long term care planning through insurance or Medicaid plans, retirement plans to insure a safe and worry free retirement and disposition of the assets upon passing. This includes asset utilization and protection through fixed annuities and life insurance products as well as other financial tools.

Robert Ferraro, MD: Practicing physician at Southwest Endocrinology Associates, P.A. in Albuquerque since 1993. He is also an assistant clinical professor at the Department of Medicine, UNM School of Medicine. Dr. Ferraro received his MD at the University of Padova, Padova, Italy, served his internal medicine internship and residency at Englewood Hospital, Englewood, New Jersey, earned his fellowship in Endocrinology, Metabolism, and Nutrition at St. Luke's/Roosevelt Hospital Center and served as a clinical associate, Clinical Diabetes and Nutrition Section, National Institute of Diabetes and Digestive and Kidney Diseases at the National Institutes of Health, Phoenix, Arizona. He is a certified diabetes instructor.

Laurence (Larry) Bussetti, LISW, MBA, has been a Veterans Administration employee for over nine years. In this current assignment, Mr. Bussetti leads a multidisciplinary group of medical, administrative and clinical providers to coordinate care and address the specific needs, including medical, mental health, social and systemic, of returning veterans and active duty service members. His years in management prior to his social work experience have enabled him to blend both areas of expertise in his current role as NMVAHCS' Social Work Executive and Chair of the Operation Enduring Freedom (OEF)/ Operation Iraqi Freedom (OIF) Planning and Oversight Committee.

Brian R. Moore, MD: Pediatric/Neonatal Medical Director-Med Flight Air Ambulance, Albuquerque, NM, Volunteer Faculty Appointment and Assistant Professor of Emergency Medicine, Department of Emergency Medicine, Division of Pediatric Emergency Medicine, UNM. Dr. Moore previously held a Joint Appointment at the Department of Emergency Medicine, Mayo Clinic, Rochester, Minnesota and the position of Consultant, Division of Pediatric Emergency Medicine, Department of Pediatric and Adolescent Medicine, Mayo Clinic, Rochester, Minnesota. He was also an Assistant Professor of Pediatrics at Mayo Clinic College of Medicine. He obtained his MD at the UNM School of Medicine. He served his residency in Pediatrics and held the position of Chief Resident of Phoenix Children's Hospital/Maricopa Medical Center. Dr Moore earned his Fellowship in Pediatric Emergency Medicine at The Children's Hospital, University of Colorado Health Sciences Center.

Cynthia Arndell, MD: Assistant Professor, Department of Internal Medicine, GIM Division, University of New Mexico. Dr. Arndell also served as Medical Director, Albuquerque Healthcare for the Homeless in Albuquerque from 2002 to 2004. Dr. Arndell received her Bachelor of Science in Nursing in 1980 from the University of New Mexico and went on to earn her MD in May of 1994. She is board certified in Internal Medicine.

Marjorie Buck, CNS: Psychiatry Consultation Liaison, University of New Mexico Hospital since 1997. Marjorie has a counseling and psychotherapy private practice. Marjorie received her BS in Nursing from the University of New Mexico in 1971 and her Master of Nursing from UCLA in 1974. She has spent most of her years as a nurse in the mental health arena.

Andrew Hsi, MD: Professor of Pediatrics, University of New Mexico, Director of the Division of General Pediatrics and Medical Co-Director, Mother and Baby Unit, University of New Mexico Hospital. Dr Hsi received his BS in Biology from Stanford University, his MD from the University of California, San Diego, La Jolla, California and his MPH in Health Systems from the University of Washington, Seattle, Washington. He served his Pediatric Internship and Residency at the University of New Mexico, Albuquerque, NM.

Margaret Chu, BSN, MPA, RNC, CCM, CPHQ, LAH: Provides professional consulting services and presentations in case management and quality management for MPC & Associates, East Williston, New York as an independent Case Manager and Consultant. Margie has been active in the care/case management and quality management profession for over 20 years, working in the managed care, hospital, and home health care settings. She has worked as a front line case manager, Director of Case Management, and Vice President of Case Management and Quality Management, among other positions.

Jack Schim, MD: Assistant Clinical Professor at University of California San Diego at La Jolla and is on staff at the VA Medical Center in San Diego. He has special interests in stroke prevention, acute stroke intervention, neurologic rehabilitation, and headache management. Dr. Schim earned his medical degree from University of California San Diego (UCSD) Medical School, served as a medical intern at Cedars Sinai Medical Center, Los Angeles, and completed his neurology residency at UCSD. Dr. Schim is certified in Neurology with Diplomate status by the American Board of Psychiatry and Neurology

Patrick J. Boyle, MD: Endocrinologist, Department of Internal Medicine, UNMH, Associate Professor at the UNM Department of Internal Medicine. Dr Boyle earned his MD, served his Internship and Residency at Oregon Health Sciences University. Dr. Boyle earned a fellowship in Endocrinology and Metabolism and is board certified in Internal Medicine, Endocrinology, Diabetes and Metabolism. His special interest and expertise is Brain Glucose Metabolism.

Pennye Thompson, RN: Coordinator of Clinical Programs, Department of Nursing, Division of Pediatrics, UNM Health Science Center. Pennye earned her Diploma Degree in Nursing from Methodist Hospital School of Nursing, Lubbock, Texas in 1984. She is an RN with 19+ years of clinical experience in Psychiatric Nursing, Substance Abuse Nursing, and 4+ years of Developmental Disabilities Nursing.

Elizabeth Weil, MD: CV not available at time of printing.
